BIG SIX SEDAN [Special] \$2650

THE DOMINANT VALUE IN THE FINE CAR FIELD

A rare combination of elegance and practical utility is offered by Studebaker in the Big-Six Sedan.

Here's the ideal car for your autumn trip and now's the ideal time to go—the most joyous touring days of all the year. Fall, with its glorious foliage, smoky landscapes, bracing air!

The Big-Six Sedan fairly invites luxurious travel with its spacious trunk mounted at the rear and the two extra disc wheels (complete with tires and tubes) carried on the front fenders. An admirable arrangement because it makes access to the trunk so easy and convenient. There's a snug trunk cover to keep your things dustless.

Parlor car comfort and convenience are everywhere evident. Soft carpeting, deep-cushioned upholstery and long semi-elliptic springs—56 inches in the rear; 38 inches in front. The automatic windshield cleaner and rear-view mirror add to the enjoyment of the cross-country tour just as they do in getting about town. The heater is there to take the chill and dampness off cool evenings and to bring you the warmth of your fireside when winter comes.

Nickel plated radiator shell with motometer and ornamental radiator cap add a touch of distinction.

An abundance of light is provided in the Big-Six Sedan. There are the distinctive headlights, artistic coach lamps and the courtesy light just above the running board on the driver's side which illuminates the roadway in passing other cars at night. Inside, opalescent dome and corner reading lights.

Then there are handsome nickel-plated bumpers front and rear, large cowl ventilator that is operated from the instrument board and the thief-proof transmission lock which reduces the cost of theft insurance to Studebaker owners 15 to 20 per cent.

Under the hood is the powerful Bix-Six motor which, like the chassis, enjoys world-wide recognition for its dependability.

Handsome in appearance, thoroughly reliable, the acme of comfort and economical in service. At its price of \$2650, which includes all equipment as shown, the Big-Six represents the dominant value among fine cars. Ready for you when you say so and no extras to buy. You can depend upon Studebaker cars because of the name they bear!

Oberlin and Ohio State Even in 25 Grid Battles

OBERLIN-OHIO STATE football relations are steeped in tradition.

Membership of both schools in the Ohio Conference dates back to its genesis. Ohio State has played Oberlin 25 times—more often than any other rival. As the first whistle blows today honors are ever, for Oberlin has triumphed 11 times, Ohio State the same number. The other three games resulted in scoreless ties.

In the beginning Oberlin had all the better of the argument, winning the first six engagements. In fact, the Crimson and Gold waved triumphant twice the very first

year, 1892, when Oberlin laced the then footballically unsophisticated Buckeyes 40 to 0 in October and rubbed it in with a 50 to 0 score three weeks later. Two games against the same opponents in a single season is a thing of the past in football schedule-making.

Ohio State won its first football victory over Oberlin in 1899. The score was 6 to 0. During the next four years the tide of battle see-sawed, Oberlin winning twice, Ohio State twice in alternate years.

Fortune definitely turned its back on the up-state college in 1905, when the Scarlet and Gray romped to the first of four consecutive victories. The Buckeye record since '05 has been impressive—nine victories, three scoreless ties and two defeats, the 7 to 6 surprise of last season being the first Oberlin taste of nectar since 1909, when the Congregationalists held a 26 to 6 scalping party. In a

single afternoon in 1916 the Buckeyes avenged the two trouncings Oberlin meted out in 1892 by piling up 128 points, an all-time scoring record for Ohio State teams in a single game.

Since 1905 Ohio State has amassed 342 points, Oberlin 72. Since J. W. Wilce adopted the Ohio State football waif in 1913 Buckeye elevens have piled up 235 points. Oberlin crossed the goal line of a Wilce-coached team for the first time last October but that single case of trespassing provided scant margin for a 7 to 6 Oberlin victory that brought the Congregationalists

more fame than any of their larger-score triumphs of ancient years.

A review of records reveals that Oberlin, Ohio State and Case monopolized all the Ohio Conference football titles between 1898 and 1916, the year Ohio State ceased to figure in Ohio Conference percentage columns.

Clear titles to championships were obtained only 12 times in the 18-year span. Oberlin held it five times, Ohio State five, Case twice. In 1904 and 1907 the trio were muddled up in three-cornered deadlocks. In 1905 both Ohio State and Case claimed the title. In 1913 Oberlin and Ohio State tied. No claims could be recognized in 1899 and 1908.

The most striking single feature of scores for the 25 Oberlin-Ohio State football encounters is the fact that one team or the other has gone scoreless in 16 of the games. Three times—in 1910, '11 and '13—both teams failed to score. Oberlin kept Buckeye cleat marks off its goal line five times, while Ohio State returned the compliment in good measure by whitewashing the Congregationalists eight times.

THE PITH OF THE PAST

Games won: Oberlin 11, Ohio 11. Three scoreless ties.

First game played in 1892. Two games in fact, Oberlin winning 40-0 and 50-0.

Record score: Ohio State 128—Oberlin 0 in 1916.

Total scores in 25 games: Oberlin 287—Ohio State 410.

Scoring since Dr. J. W. Wilce began coaching Ohio State teams: Ohio State 235 points, Oberlin 7.

One team or the other has failed to score in 16 of the 25 games. Ohio State has gone scoreless 8 times, Oberlin 11, both teams failing to score in three tie games.

L. D. MCPHEE
Coach

Last year Stallings and McPhee were heroes of the plucky Oberlin eleven that invaded Ohio Field and electrified the football world by its determined fight down the field to a 7 to 6 victory over Ohio State, the first since 1909. Stallings, a tackle, captained the Congregationalists. McPhee performed in the backfield. Both were favorites with critics who chose all-Ohio teams.

This year Stallings and McPhee are coaches of the Oberlin team that will be seen in action this afternoon. The youngsters who upset the dope as players hope to repeat as coaches.

Songs and Yells

OBERLIN, OUR ALMA MATER

Ten thousand strong sing we a song
Oberlin, to thee;
Oh! worthy art thou of fame!
In lands afar shineth thy star
Setting bondsmen free:
Belov'd is thy glorious name.
Alma Mater, Alma Mater,
Hail to thee, Oberlin, honored Mother!

Ye colors old, Crimson and Gold,
Kissed by gentle wind
In victory float on high;
Or should thy form wrestle with
storm
Then thy foe will find
We'll conquer for thee or die.
Alma Mater, Alma Mater,
Hail to thee, Oberlin, honored Mother!

CHORUS.

Old Oberlin forever
Our Alma Mater dear,
We crown thee "fairest college,"
Thy name we love to hear.
Long reign in royal splendor,—
Our hearts shall be thy throne!
Old Oberlin, brave Mother,
Thou reignest alone!

ALMA MATER

Sing of our glorious Alma Mater,
Tell of her halls of learning old,
Lift high her gold and crimson ban-
ner,
Swell loud the chorus strong and
bold.

True will be be, our Alma Mater,
True unto thee where'er we roam.
True to the ties of friendship holy
Which bind our hearts to thee, our
home.

Hear now our vow, O Alma Mater!
Ever for thee to work—to win,
Keep on our shield the legend golden,
"Learning and Labor, Oberlin."

CHORUS.

Oberlin, dear Alma Mater,
Forevermore thy praise we sing;
Take from our lips our heart's glad
homage,
Which now to thee in song we
bring.

CARMEN OHIO

Words and Music by
Fred Cornell, ex-'06

(Hats off, standing)

O, come, let's sing Ohio's praise
And songs to Alma Mater raise;
While our hearts rebounding thrill
With joy that death alone can still.
Summer's heat or winter's cold,
The seasons pass, the years will roll:
Time and change will truly show
How firm thy friendship—Ohio.

These jolly days of priceless worth
By far the gladdest days on earth,
Soon will pass and we not know
How dearly we love Ohio.
We should strive to keep thy name
Of fair repute and spotless fame;
So in college halls we'll grow
And love thee better—Ohio.

Alumni Chorus

Tho' age may dim our mem'ry's
store,
We'll think of happy days of yore,
True to friend and frank to foe,
As sturdy sons of O-hi-o.
If on seas of care we roll,
'Neath blackened sky, o'er barren
shoal,
Thots of thee bid darkness go,
Dear Alma Mater—O-hi-o.
(All in on last Ohio.)

THE BUCKEYE BATTLE CRY

Words and Music by Frank Crummit
In old Ohio there's a team,
That's known thruout the land;
Eleven warriors, brave and bold,
Whose fame will ever stand,
And when the ball goes over,
Our cheers will reach the sky,
Ohio field will hear again
The Buckeye Battle Cry.

Drive! drive on down the field,
Men of the scarlet and gray;
Don't let them thru that line,
We have to win this game today,
Come on, Ohio! Smash thru to vic-
tory,
We cheer you as we go;
Our honor defend
So we'll fight to the end
For O-hi-o.

ACROSS THE FIELD

Words and Music by
W. A. Dougherty, Jr., '17

Fight that team across the field,
Show them Ohio's here,
Set the earth reverberating with a
mighty cheer. Rah! Rah! Rah!
Hit them hard and see how they fall!
Never let that team get the ball,
Hail! Hail! the gang's all here,
So let's beat that Wesleyan now.
Oh, Ohio! Oh, Ohio! Wa-hoo! Wa-hoo!
for Ohio!
(Repeat to "Oh, Ohio!")

THE CHANT

Oh, Buckeye,
O-HI-O!

Harold G. Olsen, former Wisconsin basketball and football star, is the newest member of the Ohio State coaching staff. Mr. Olsen joined the family this fall. He immediately made himself valuable as a coach of dropkicking. His big job is ahead, however, for he will be in full charge of the varsity basketball squad.

Wisconsin won a Western Conference basketball championship and Olsen earned all-Western honors as a guard in 1916-'17. Later he produced three champ fives and a runner-up in four years as coach at Ripon College.

BONI PETCOFF
Ohio State Tackle

Both in build and performance, Petcoff is a second Pixley. Last year Boni subbed enough to gain valuable experience. Only the presence of such veterans as Huffman, Trott and Spiers kept him out of the line-up. This fall the former Toledo Waite star was assigned to one of the tackle vacancies. He has been making his 210 pounds felt.

L. S. MOOREHEAD

Moorehead is perhaps the fastest stepper in Western Conference grid circles. He holds track records of 9½ seconds for 100 yards and 21¾ seconds for 220 yards. Fleetness plus uncanny ability to snatch a football out of the air while going at top speed make Moorehead a valuable halfback.

C. F. HONAKER

Last year football fans knew "Honey" Honaker as a smashing back. Now he is in a new role. For Dr. Wilce is making an end out of him. Honaker has the size and beef to make a strong flankman. He carries 197 pounds and is strong on defense.

343 MILES OF PRENTICE LUMBER

WERE USED IN THE CONSTRUCTION OF
OHIO STADIUM

If the lumber furnished by the Edwin A. Prentice Company for Ohio Stadium were stretched out in a single board 6 inches wide it would extend 343 miles, or approximately the distance between Columbus and Harrisburg, Pa.

Eighty-one carloads or 1,800,000 feet of lumber were needed in the construction of this, the world's largest athletic structure.

Few people realize that lumber was one of the four most essential elements entering into the construction of the Stadium. Without lumber it would have been impossible to pour the concrete, and therefore the selection of the company to supply the lumber was of the highest importance.

We are justly proud that Prentice Lumber was selected. It has been a pleasure to associate ourselves with the E. H. Latham Company and we wish to take this opportunity to congratulate them upon the successful work they have accomplished.

Though greatly pleased when called upon by the E. H. Latham Company to supply the lumber, we were not surprised when awarded the contract, for Prentice Lumber always has been of the best quality.

In selecting materials for the Stadium the best possible companies were chosen, and in the lumber field the E. A. Prentice Company always has been considered a leader.

However, we consider it a mark of honor to have been picked from the many companies bidding for the lumber contract, as this proves that Prentice Lumber is recognized as the best by those who are in a position to know.

If it was, it was not only essential that high grade lumber be used but also it was of the highest importance that the company chosen be able to meet the heavy demand for immediate shipment.

In both these respects the Prentice Lumber Company qualified in every way.

Changes in Football Rules for 1922

Choice of Goal or Kick-Off

At the start of the game the winner of the toss may elect whether he desires to kick off or choose the goal which he is to defend. In case the winning captain decides to kick off, the loser shall have the right to elect which goal he will defend. If the winner of the toss selects the goal, then the loser shall have the choice of kicking off or of receiving the kick-off. At the beginning of the third period these privileges as to choice shall be reversed.

Try-For-Point

The try-for-point now takes the place of the place-kick formerly allowed after a touch-down. Under the new rules the side scoring a touch-down is permitted to bring the ball out to any point not less than five yards from the goal line, or to any greater distance if they choose, and there the ball is put in play by scrimmage with the side which has just scored having possession of the ball.

They can make any play which is legal from an ordinary scrimmage and endeavor to score by a place-kick, drop kick, a run, a forward pass, etc. Should they by any of these means in a single play put the ball over the goal line, or should they kick a field goal, they will be awarded an extra point.

Should they fail on any of these attempts, the ball becomes dead, play ceases, and the ball is taken back for kick-off, as was done under the old method when the try for goal had proven unsuccessful.

Should the defensive side commit a foul on this play, the attacking side is awarded a point whether or not their attempt to score was successful.

Should the offensive side commit a foul or try an illegal play, no point can be made and the kick-off follows immediately.

Should both sides commit a foul, the play will be tried over again under the same conditions.

It should be remembered that time is out during all the attempts in a try-for-point.

Clipping

Clipping is defined as "throwing the body from behind across the leg or legs (below the knees) of a player not carrying the ball." In other words, any man who is pursued and cut down from behind has been the victim of clipping. The penalty is loss of fifteen yards from the spot where the ball was put in play.

Substitution of Players

A player taken out in one half cannot return to the game in the same half, but a player who has been taken out in the first half may return to the game in the second half at any time.

Offside Man Touching Kicked Ball

If an offside man touches a kicked ball inside the opponents' ten-yard line, the defenders of the goal are awarded a touch-back and gain possession of the ball on their own twenty-yard line. If an offside man touches a kicked ball on any part of the field, it shall go to the opponents at a point five yards in advance of

the spot where the ball was touched. It should be remembered however that the defensive team may run with the ball and decline this penalty if they so elect. In other words the ball is not automatically dead when touched by an off-side man. On a kick, an off-side man is any man of the kicking side who was ahead of the ball when it was kicked.

Shift Plays

In all shifts, "both feet stationary on the ground" is interpreted to mean that a sufficient momentary pause occur as to admit of officials seeing that the play is legal, and that the ball was not snapped while the men were in motion. It is the intention of the rule that when a man shifts to a new position, he shall come to a full stop, so that all momentum is lost, and make a new start from a position of rest when the ball is put in play.

Requests For Time Out

Each captain may request time out three times during each half without a penalty as in former years. A fourth request, however, entails a two-yard loss and the linesman's stakes are not moved as in previous years.

Interference Under a Forward Pass By The Offensive Team

If a player of the side making the pass, after crossing the line of scrimmage and after the pass has been made, interferes in any manner with an opponent before the ball has been touched, except in an actual attempt to catch or bat the ball himself, then his team shall suffer a fifteen-yard penalty from the spot of the preceding down and the play itself shall count as a down. (Last year it counted as a down only.)

If, however, such offense occurs during a play following the fourth down, the ball shall go to the opponents fifteen yards back of the spot of the preceding down. If the offense occurs behind the goal line on any down, the ball shall go to the defenders of the goal as a touch-back.

Man-In-Motion Rule

If a player is moving from the line of scrimmage towards his own goal, he must, at the instant the ball is put in play, be at least five yards back of the line of scrimmage and another man must take his place on the line of scrimmage as seven men must be on this line when the ball is put in play. Penalty for violation—five yards.

As in previous years a man back of the line of scrimmage may be in motion either directly or obliquely towards his own goal at the instant the ball is put in play, without penalty.

On kick-off and free kicks the players may be in motion in any direction providing they are behind the ball when it is kicked.

Approved Rulings

Thirty-two approved rulings which have heretofore been published at the end of the football rules are this year placed in the football code itself and made a part of the different rules which they are intended to interpret. Approved rulings are made by the football rules committee.

Time shall not begin again, after any of the aforesaid, until the ball is actually passed back from center.

ANNOUNCEMENTS BY THE MANAGEMENT

Utmost effort has been exerted to have the Stadium in readiness for the football season of 1922. A LOST AND FOUND DEPARTMENT has been established at the Athletic House, Sixteenth Avenue and High Street. Articles found should be turned over to the ushers or left at the Athletic House.

ONLY ONE CONCESSION, that covering the sale of refreshments, is licensed by the Athletic Board and thereby privileged to sell within the Stadium.

STARS IN REPUBLICAN STATE LINEUP

FOR GOVERNOR

CARMI A. THOMPSON

(Ohio State '92)

FOR U. S. SENATOR

SIMEON D. FESS

(Ohio Northern '89)

With as much interest as Collegians are evidencing in the battle between Ohio State and Michigan, offered as a Home-Coming attraction for the new Stadium, nearly 6,000,000 people of Ohio are looking forward to the contest to be waged at the polls on Tuesday, November 7, 1922, between the two major parties. The Republican team never was in better shape for a winning struggle. There are no discords in the ranks and it was never blessed with more able leadership nor backed by stronger popular enthusiasm.

The real element of success in any contest is the measure of enthusiasm behind the team. Ohio Republicans are united in support of their men and the moral support back of their efforts has been steadily growing since the big "Fog Raiser" of October 3rd, at Memorial Hall, the influence of which has penetrated to every quarter of the State. Everything is set for the fray and the Republicans await the contest with enthusiasm and confidence. If every Republican, man or woman, goes to the polls and supports the ticket, before midnight on November 7th the hills and valleys of Ohio will reverberate with the victorious cheer:

Team, Rah; Team, Rah! Rah, Rah, Team!!

IF OLD KING KHUFU WERE HERE TODAY

WOULDN'T he open his eyes in wonder when he beheld our Stadium and learned the time required to build it?

It took him twenty years to construct his Cheops and he employed 100,000 men.

Six-hundred men built the Ohio Stadium in thirteen months.

Khufu would be forced to admit that methods of construction have progressed since his day—yet he would scarcely believe that such a structure as this could be erected by human effort in so short a time, even when this effort was skilfully directed.
